

Elements to include on an HPC website

- Design Guidelines in a PDF
- COA application Procedures
- Definition of what a COA is and when it is necessary
- Rules and Procedures regarding meetings (times, etc.), HPC member appointments, etc. (check <http://www.georgiashpo.org/community/hpo> for examples)
- Information about the CLG designation and program
- Maps of the local districts
- National Register nominations in the districts (PDFs available)
- PDF about diff. between NR/Local Districts (from HPD website)
- List/contact info for HPC members
- HPD contact information (Leigh Burns)
- Any upcoming training information
- Citation of city code element that authorizes HPC to exist
- FAQs

External links on the website for more information should include:

- HPD (especially CLG/HPC, Preservation Primer, National Register pages)
- National Park Service (Technical Briefs, Sec. of Interior Standards)
- Georgia Alliance of Preservation Commissions
- National Alliance of Preservation Commissions
- Georgia Trust for Historic Preservation
- Local Main Street/Better Hometown
- Georgia Main Street/Better Hometown
- Regional Commission website
- Any other links to local preservation sites or organizations
